SELECTMEN'S COMMENTS

The 1993 town report is dedicated to Shirley Marden for his 41 years of preparing bean hole beans for Chichester's Old Home Days. The "Marden Tradition" of bean hole beans started with Shirley helping his grandfather since he was 5 years old. Chichester is fortunate to have someone so dedicated to Old Home Day and it appears that the "Marden Tradition" will carry on for some time to come.

Thank you, Shirley, for a job well done! Your dedication is greatly appreciated.

To bring property values closer to market value, we instructed our appraisal firm to lower the appraised value of every property in Chichester by 15%. In theory, at least, this should make us eligible for more school assistance. We are presently monitoring this situation with the possibility of further devaluation.

The famous septic problem was finally brought to a satisfactory conclusion from the town's viewpoint.

A master plan review and update committee was formed. After many meetings, much research and discussion, the committee recommended some changes of the zoning ordinance to the planning board who adopted the proposed changes to present to the town. The changes among other things, would encourage more commercial development.

The furnace room at the Grange Hall has been renovated so that it complies with fire codes and keeps the insurance company happy.

In cooperation with the fire department, the Herbert West property was purchased, subdivided and the house, barn and land that the fire department doesn't need was resold to help defray the cost of a new location for the fire department.

The floor of the Grange meeting hall has been sanded and refinished.

We made a start at "walking the bounds". In between injuries and snow storms, we should have the Chichester & Pembroke bounds perambulated by mid summer 1994.

TOWN MEETING MINUTES - 1993

At the appointed time and place Moderator, John Sargent, called the meeting to order on March 9, 1993. Reverend John Loker offered prayer. The meeting was conducted under Robert's Rules of Order. The polls were stationed at the Grange Hall building and declared opened to vote at 10:00am. The day was cold.

TOWN OF CHICHESTER

COUNTY OF MERRIMACK
1994
WARRANT

To the inhabitants of the Town of Chichester in the County of Merrimack in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Grange Hall in said Chichester on Tuesday, the 8th day of March, 1994 next at 10 o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (Ballot)

2. To vote on amendments to the zoning ordinance as proposed by the Planning Board. (Ballot)

Article 3 through article 16 will be taken up at the second session of the Annual Town Meeting on Saturday, March 12, 1994, beginning at 10 o'clock in the forenoon at the Chichester Central School Multi-Purpose Room.

3. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same. (Recommended by the selectmen)

4. Shall the town accept the provisions of RSA 31:95b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year? (Recommended by the selectmen)

5. Shall the town accept the provisions of RSA 202-A.4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year? (Recommended by the selectmen)

6. Shall the town authorize the board of selectmen to accept gifts of personal property which may be offered to the town for any public purpose, pursuant to RSA 31:95-e and

shall remain in effect until rescinded? The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property. (Recommended by the selectmen)

7. Shall the town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to issue tax anticipation notes? (Recommended by the selectmen)

8. Shall the town authorize the selectmen, indefinitely, until rescinded, to dispose of a lien or tax deeded property by public auction, sealed bid or in a manner as justice may require? The selectmen shall first consult the Conservation Commission, said commission to recommend whether or not the retention of such real property would be in the best interest of the town as provided in RSA 80:42 subject to final ratification of the next annual or special town meeting.
(Recommended by the selectmen)

9. Shall the town authorize the board of selectmen to accept, on behalf of the town gifts, legacies and devises made to the town in trust for any public purpose, as permitted by RSA 31:19? (Annual vote) (Recommended by the selectmen)

10. Shall the town vote to elect three cemetery trustees to be on the ballot of 1995, the terms to be one 1 year, one 2 year and one 3 year and thereafter one 3 year term to be voted on each year and to authorize the selectmen to appoint three cemetery trustees for the ensuing year? (Recommended by selectmen)

11. To see if the town will vote to dissolve the existing Stump Dump Capital Reserve Fund. The Library Capital Reserve Fund will be increased by a like amount in the budget. (Majority vote) (Recommended by the selectmen)

12. To see if the town will vote to raise and appropriate up to the sum of $50,000 (Fifty thousand dollars) to be added to the Fire Station Capital Reserve Fund and authorize the use /transfer of the December 31, 1993 fund balance in that amount for this purpose. (Recommended by the selectmen)

13. Shall we adopt an exemption for the totally and permanently disabled? The exemption, based on assessed value, for qualified taxpayers shall be $55,000. To qualify, the person must have been a New Hampshire resident for at least 5 years. In addition, the taxpayer must have a net income, excluding social security, of not more than $10,000 or, if married, a combined net income of not more than $12,000; and own net assets not in excess of $50,000 excluding the value of the person's residence. (Recommended by the selectmen) (ballot vote)

14. Shall the town vote to expend up to $2,800 (two thousand eight hundred dollars) from the Computer Capital Reserve Fund for the purchase of a new computer/printer? (Recommended by the selectmen)

15. To see if the town will vote to raise and appropriate the sum of $1500.00 (Fifteen hundred dollars) for the purpose of purchasing radio equipment for the Police department. CHICHESTER POLICE DEPARTMENT

END OF YEAR REPORT - 1993

1993 was a year of changes for us. Officer Tibbetts graduated the Part-Time Police Academy in April and began working on his own by the end of April.

Officer Martell was promoted to the rank of Sargeant. His added responsibilities include assuring regular maintenance on the vehicles, trouble shooting problems with vehicles and equipment and was put in charge of patrols and patrol uniforms. John has been with this department since 1988 and has earned this position of responsibility. John will also be in charge when the Chief is unavailable.

We took possession of a 1993 Ford Cruiser and retired the 1984 vehicle. This now gives the Town a new vehicle and a 1991 cruiser still in good service.

Our calls at Merrimack County Dispatch totaled 7781 in 1993. This is an increase of 3843 calls over 1992. These log totals include telephone calls to Dispatch and what is termed as unsolicited radio calls. An example would be a motor vehicle stop where the Officer calls Dispatch for information on the driver and vehicle.

Also included would be animal complaints. The Animal Control Officer, Jean Wyatt, answered over 150 calls last year for various reasons. When the Police Department recieves animal calls they are all referred to Jean unless something has to be done without delay and Jean is unavailable.

The revenue brought in by the Police Department totaled $819.39 in 1993 of which $280.00 was in fines recieved under Animal Control.

Last year we had printed Complaint Forms for the Animal Control Officer. Most complaints written were for unlicensed dogs and dogs running at large. This winter a rabid racoon was found in the Five Hill Estates area of Town. Besides the fact that unlicensed, stray dogs can cost you money we think the rabid raccoon would tend to urge people to have your animals vaccinated against rabies and kept safe at home. Your pet does not have to be bitten to contact rabies. Sharing food and water dishes outside can transmit it also. Please take care of your pet so we won't have to. Anytime an animal is picked up it costs the Town in care including food and possible medical care.

We urge all to be good citizens and good neighbors. Never hesitate to call when you suspect anything suspicious or have knowledge of any wrongdoing. Remember, in many ways, we are our "brother's keeper".

Road Agent's Report

For the most part, 1993 went smoothly except for numerous small road projects not being completed due to the severe winter weather. These projects will be handled on an as needed basis, weather permitting.

The planned resurfacing of Canterbury Road went according to schedule and was accomplished within the budgeted projection. The major project for 1994 will be tarring one (1) mile of Horse Corner Road beginning at Lane Road and extending to Gavins Hill Road.

To date, the lease/purchase of the backhoe/loader has met the cost savings estimates as expected. The equipment has performed very well with approximately 500 hours of use at an operating cost of $26.00 per hour.

This winter has proved to be another typical New England winter with record snowfall and cold temperatures. I would like to thank everyone for their patience during these extreme winter conditions which has made road maintenance very challenging for the road crew. We will continue to do our best to accommodate your travelling needs.

As always, your comments and suggestions are always welcomed.

CHICHESTER FIRE DEPARTMENT

I would like to thank the townspeople for their support during the past year. 1993 was an extremely busy year for the fire department, we responded to 201 incidents, a 48 % increase over last year. Between the number of calls and trainings fire department members put an ever increaing # of hours into the department. We currently have 4 members enrolled in a EMT class(120 hours), 1 member enrolled in a Career level class. This year we want to make a couple of changes in the reimbursement plan that we used last year. (1) Chief's reimb. * $50.00 @ month , Dep. Chief's reimb.* $25.00 @ month. (2) Paying for EMS training, * 10 members @ $15.00 a month for 6 months. With only $7000.00 budgeted, and if we get full attendance for trainings and meetings, we will be only able to pay reimbursement till the money runs out.

We are currently working out designs for floorplans for the future firestation. We are also investigating alternative means of fundraising for the project. I look foward to your continuing supporty in 1994. If anyone is interested in joining the fire department please feel free to stop by on the 2nd and last Mondays of the month.

Sincerely,
Christopher Drew
Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1993, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were campfires left unattended, unsupervised children and debris fires that escaped control. All of these fires are preventable, but ONLY with your help!

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bear's 50th anniversary. The State of New Hampshire Forest Protection Bureau will be working with many communities to spread the fire prevention message - "Remember...Only YOU can prevent forest fires. Fire prevention is the most cost effective fire suppression tool. Please be careful around fires and help us and our communities have a fire safe year.

"REMEMBER...SMOKEY HAS FOR FIFTY YEARS!"

Annual Report of
Building Official

1993 was another relatively slow year, at least from the perspective of this office. There were 26 building permits issued, with the breakdown as follows:

New dwellings	7
Dwelling renovation or addition	5
Commercial building	1
Commercial renovation or addition	2
Mobile home placement for elderly	1
Private garage	5
Barn or Shed	5

There were also other inspections which were done that were not related to building permits, or permits which were issued this year.

Building Permit forms are available in the lobby of the Town Offices so you may pick these up anytime if you are planning a building project. By having the form ahead of time you will see what information is necessary to receive your building permit. The Towns' current Building Codes are the 1993 BOCA Building and Fire Prevention Codes, the 1988 Life Safety Code, as well as all locally adopted codes which are more stringent. State Law also requires that all new structures, as well as structures which are being improved to more than 50% of their assessed value be in compliance with the N.H. State Energy Code. This process may take 2-5 weeks for review, so if you are planning a building project which would fall into this category please plan accordingly.

The Building Inspectors Office is here to be of service to you. If you have concerns as to whether work being performed for you is up to standard, do not hesitate to call for information or an inspection. All persons hiring contractors should not hesitate to check their credentials or references.

CHICHESTER TOWN LIBRARY
1993

I am happy to report another year of growth at the Chichester Town Library with an increase of 177 patrons (now over 510 enrolled library users). We added over 900 volumes (total of 10,200 volumes), 22 audio materials (101 total), 51 video cassettes (total of 226 videos, many non-fiction or based on literary classics and all family oriented) and more magazines for your use. The use of the library greatly increased during 1994. Especially pleasing was the increase in adult use, up to 4,803 from 4,171. The use by the young people of Chichester continues to increase and the overall total material circulation (adult, juvenile, magazines and audio-video) was 15,780, an increase of 2,231 over the 1992 figures.

The library sponsored 5 adult-centered programs this past year with an overwhelming total of 235 adults attending. The programs included three different seminars on Elder Law and Financial Planning, a wonderful slide presentation of "Old Chichester" shown by **Walter Sanborn** and so well received it had to be continued the following Saturday night! Also well attended by adults as well as young people was an October program discussing ghosts in New England.

The library also sponsored 5 youth programs, including the always popular summer reading program which registered 99 young people this year, many of whom also attended the end of the program's party featuring Betsy Graber. We held a "Night of a Thousand Stars" in April....using the talents of Chichester stars **Evelyn Pike, Stuart Armstrong, Ginger Sanborn** and **Douglas Hall.** What a fun night that was !! (if you want to see for yourself, the library has a videotape of the evening's entertainment available for your personal viewing)! Our young library patrons also participated in a short story contest....winners in their age groups were **Irene Kelly** and **Becky Schwab.** We also voted in the Great Stone Face Award and our choice turned out to be the state's winner as well.

Jack and **Rita Sargent** donated a family pass to the New Hampshire Science Center that was used by over 25 families during the three summer months alone...many spoke of their thanks for the **Sargents'** thoughtfulness and generosity. Another pass to the Christa McAuliffe Planetarium was purchased and used by many throughout the entire year.

Our various fundraisers...tree/shrub sale, book sales and bake sale at the Chichester PTO Fair...were very successful and helped to provide some extras at the library. The most noticeable of our purchases is the large moveable sign at the roadside in front of the library. (We had hoped to move it before the snow...but we were too slow or the snow came too fast). We have had many comments on how useful the sign has been at reminding patrons of up-coming events or library programs.

I (the Librarian) have finally finished my Library Technique courses and in the spring should graduate with my LT certificate. These courses have been immensely helpful in improving the overall functioning of the library as well as having been a wonderful information resource...learning from both the instructors and the other librarians. I thank the town for the opportunity to attend these classes and hope to continue using what I have learned to continue upgrading our library.

As I have each year, I again need to mention how wonderful the people of this town are at volunteering at the library...not only all those who work as library aides, but those who donate time to cover books, file catalog cards and those who donate books and videos. There is no way that this library could function as successfully as it does if it were not for the help of our volunteers.

A special thanks to **Jamie Pike**, our janitorial service for the last four years. **Jamie** has had to resign his position, but we thank him greatly for time and effort he gave to the Library. We would also want to thank **Faye Crowley...** she moved into town, filed all the catalog cards she could find and then moved on to a warmer climate.

I think I speak for all those who work in any manner at the Library... we all do it because we enjoy it!! And because we all believe that to read is to be successful.

JUSTIFICATIONS

LIBRARIAN SALARY: Our Town Librarian spends at least twenty-two (22) hours a week at the library. We must bring this salary up to minimum wage over the next two years.

MEDICARE/SOCIAL SECURITY: This proposed amount is calculated with the 1993 percentage.

BOOK PURCHASE: We went over budget on this most important line item (but only $39.64, as of November 1, 1993) due to our 5 year goal of updating to current our non-fiction selections. We are in our second year of this five year goal. We are requesting a small increase in this line item for 1994.

VIDEOS: We purchased a number of non-fiction videos at a discounted price during the year. We also had an opportunity to buy New Hampshire non-fiction videos which we will share with the school. We are asking for an increase as we are committing $100 to the Suncook Valley Inter-library Loan Co-op, of which we are a member. This will entitle us to borrow videos from other co-op librarys.

AUDIO BOOKS: We did not budget money in 1993, but we have had several requests during the year for audio books. We have committed $50 to the Suncook Valley Co-op for use of audio books.

TELEPHONE: We are underbudget because the second telephone was not installed until May.

ELECTRIC: Asking for a $200 increase because of the normal increase in the cost of electricity.

MAINTENANCE/BUILDING - We want to increase our janitorial salary from $20 to $30 a month. We also need to have the carpeting professionally cleaned. The front door is going to need to have some major repairs done to it.

PRINTING/ADVERTISING: New line item. We do advertising for our book sales in two N.H. newspapers. We also have had printing of flyers done for some of our programs.

EQUIPMENT: One of our patrons has donated a personal computer. We want to purchase software that will enable us to transfer our card file over to the computer. We would like to incorporate this transition with software to bar code our books. The above process will ensure that our entire book collection will be in the State Library's computer system.]

ANNUAL REPORT OF THE TOWN OF CHICHESTER

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Chichester: Home Care, Hospice and Health Promotion.

Home Care services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

Hospice services provide professional and para-professional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs.

It is anticipated that construction of the CRVNA Hospice House will be completed in the Spring of 1994. The agency will then be providing residential hospice care services in the hospice house, as well as hospice care within the home.

Health Promotion services focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, prenatal, family planning, sexually transmitted disease, adult screening, immunizations, and HIV (AIDS) testing and counseling. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior health services are provided at congregate housing sites. Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Chichester may request service; patient, doctor, health facility, pastor, friend or neighbor. All requests are answered, but continuing home care will only be provided with a physician's order.

A call to Concord Regional Visiting Nurse Association (224-4093) is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30am to 5:00pm. A nurse is on call for hospice and home care patients; (224-4093) 4:30pm - 7:30am daily.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire, accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and is a member agency of the United Way of Merrimack County.

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

329 Daniel Webster Highway
Boscawen, New Hampshire 03303
(603) 796-2129

The Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 towns and the City of Concord in Merrimack and Hillsborough Counties. The Town of Chichester is a member in good standing of the Commission.

The CNHRPC is one of nine RPC's organized under RSA 36:45-53. Our principle charges are to prepare coordinated plans for the region and to provide planning assistance to member communities. Every city and town in New Hampshire is within an organized region.

Our accomplishments over the last year include:

The Commission prepared and distributed the complete draft of the transportation element of the regional master plan in October. The plan describes the transportation system of the region, identifies current and future transportation issues, discusses the role of the CNHRPC in transportation, and makes recommendations to towns, the region, and the state to address the transportation issues in the region. Although the plan element is scheduled for adoption in February of 1994, public comment on implementation of the plan is continuously welcomed.

Transportation will continue to be a focus in 1994 and beyond. We will adopt and submit our first ever transportation improvement program (TIP), the capital improvement plan for transportation in the region, and will continue to review, comment, and participate in state transportation projects, programs, and plans.

Working with interested cities and towns, the RPC updated the Merrimack County overall economic development plan. The Commission continues to provide administrative and technical support to the participating communities.

We are in the middle of the five year update to the affordable housing assessment. The project will identify the need for housing affordable to low & moderate income families in the region, the available amount of such housing, and the fair share of affordable housing which should exist in each community.

The Commission continues to provide high quality and timely services to member municipalities through circuit riding, master plan assistance, research, and other technical assistance.

Specific activities in Chichester included:

Researching state laws and regulations on permanent sawmills; reviewing and interpreting zoning ordinances to help determine whether more than one principal use is allowed on a single lot and the frontage requirements for such uses; and providing copies of other towns' master plans.

CHICHESTER SCHOOL DISTRICT ANNUAL MEETING
MARCH 6, 1993

The annual meeting of the Chichester School District was called to order by Moderator Daniel VanKeuren at 2:05 P.M. on March 6, 1993 at the Chichester Central School Multi-Purpose Room.

Introductions to those in attendance were made:

School Board Members:
Margaret Haskett, Chairwoman
A. Allan Clark
Ansel Sanborn

School Administrative Unit #53 Officials:
Paul DeMinico, Superintendent of Schools
Suzanne Monat, Business Administrator

Chichester Central School Principal:
Stewart Armstrong

Pastor Greene delivered the invocation. The approximately eighty people present joined in the Pledge of Allegiance. The Moderator read the ground rules for the meeting.

A motion was made by John Sargent, seconded by Randy Morrison to allow Mr. DeMinico, Mr. Armstrong and Ms. Monat to speak during the meeting as they are not residents of Chichester.

Moderator VanKeuren called for action on the warrant as follows:

Article 1: TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN, AND TO PASS ANY VOTE RELATING THERETO.

A motion was made by Pearl Michaud and seconded by Chris VanKeuren to accept all reports of the School District. The motion carried by voice vote.

Article 2: TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT GIFTS AND DONATIONS FROM ANY SOURCE ON BEHALF OF THE SCHOOL DISTRICT.

A motion was made by Scott Tepper and seconded by Ian Blackman to authorize the School Board to accept gifts and donations from any source on behalf of the School District. The motion carried by voice vote.

Article 3: TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE TREASURER, WITH THE APPROVAL OF THE SCHOOL BOARD, TO APPOINT A DEPUTY TREASURER. SAID DEPUTY SHALL BE SWORN, SHALL HAVE THE POWERS OF THE TREASURER, AND MAY BE REMOVED AT THE DISCRETION OF THE TREASURER.

A motion was made by John Sargent and seconded by Hannah West to amend the last sentence of Article 3 to read: "and may be removed at the discretion of the Treasurer and the School Board."

The amendment to Article 3 carried by voice vote.

A motion was made by John West and seconded by Mr. Lemmon to accept Article 3. Motion carried by voice vote.

Article 4: TO DETERMINE AND APPOINT THE SALARIES OF THE SCHOOL BOARD AND TRUANT OFFICER, AND FIX THE COMPENSATION OF ANY OTHER OFFICERS OR AGENTS OF THE DISTRICT.

Moderator VanKeuren requested combining Articles 4 and 5. A motion was made by Sue Towle and seconded by R. Morrison to combine Articles 4 and 5. Motion carried by voice vote.

Article 5: TO SEE WHAT SUM OF MONEY THE DISTRICT WILL RAISE AND APPROPRIATE FOR THE SUPPORT OF SCHOOLS, FOR THE SALARIES, NEGOTIATED AND OTHERWISE, OF SCHOOL DISTRICT OFFICIALS AND AGENTS AND FOR THE PAYMENT OF STATUTORY OBLIGATIONS OF THE DISTRICT AND TO AUTHORIZE THE APPLICATION AGAINST SAID APPROPRIATION OF SUCH SUMS AS ARE ESTIMATED TO BE RECEIVED FROM THE STATE FOUNDATION AID TOGETHER WITH OTHER INCOME; THE SCHOOL BOARD TO CERTIFY TO THE SELECTMEN, THE BALANCE BETWEEN THE ESTIMATED REVENUE AND APPROPRIATION, WHICH BALANCE IS TO BE RAISED BY TAXES BY THE TOWN.

Chairwoman Haskett gave an overview and summarized the budget, which has increased 8 1/2 per cent. Much discussion about the budget ensued. A motion was made by Joe MacKenzie and seconded by Mrs. Ricker to amend line 2320-351 of the budget to read $100.00 less as a protest of that line amount.

The amendment was defeated by voice vote.

A motion was made by S. Towle and seconded by R. Morrison to accept the budget in the amount of $1,718,198.00.

Motion carries by voice vote.

Article 6: TO CHOOSE AGENTS AND COMMITTEES IN RELATION TO ANY SUBJECTS EMBRACED IN THE WARRANT.

A motion was made by Doug Hall and seconded by R. Morrison to pass over Article 6 until March 9, 1993 at 10:99 A.M. at the Town Hall. Motion carried by voice vote.

Article 7: TO TRANSACT OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID MEETING.

A motion was made by Doug Hall and seconded by R. Morrison to recess this meeting until Tuesday, March 9, 1993 at 10:00 A.M. to reconvene at the Town Hall to take up Article 6. Motion carried by voice vote. The meeting recessed at 3:55 P.M.

MARCH 9, 1993

The polls were opened at 10:00 A.M. by Town Moderator John Sargent for the purpose of voting.

The polls were closed at 7:00 P.M. and ballots were counted with the following results:

Clerk	Carol Egan	1 year
Moderator	Peter Marsh	1 year
Treasurer	Evelyn Pike	1 year
Auditor	John Saturley	1 year
School Board	Ian Blackman	3 years

The Chichester School District annual meeting was officially closed by Mr. Sargent and Mr. VanKeuren at 8:05 P.M.

Respectfully submitted,
Carol Egan, Clerk
Chichester School District

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Public education in Chichester continues to focus on the adage that "it takes a whole village to raise a child." The collaborative efforts of the school community--students, parents, teachers, citizens, administrators, and the school board--exemplify the positive and innovative results which can be achieved with shared commitment and responsibility for children's learning.

Progress toward school board goals set during the summer of 1993 has been deliberate. Increased communication with Pembroke Academy along with the study of performance based education, two important goals set last summer, have resulted in both districts working more closely together. Progress toward the identification of the "floor" problem and the eventual resolution has been painfully slow. While the school district has hired a consultant to assist in this goal, a resolution to this issue has only been temporary. Our efforts, however, shall continue until a more permanent resolution is in place.

During the past year, review and development initiatives at Chichester Central School have focused on several areas of the curriculum and school program. In social studies, efforts have concentrated on examining overall learning area content, increasing articulation among grade levels, and providing for more student awareness of current events and issues. In the future, the newly-adopted guide will govern the acquisition schedule for texts and instructional materials. Chichester has also continued its membership and participation on a committee whose goal is to produce a science framework coordinating basic instructional goals SAU-wide.

Recognizing the unique status of students in the upper elementary grades, Chichester Central School faculty and administration have continued to modify the structure of grades 7 and 8 in order to better address the needs of early adolescents. A team of three faculty members, assisted by specialists, now shares responsibility for instructional planning and delivery. Students' school day has been scheduled with the flexibility to allow for group projects and activities, peer assistance and integrated study skills and citizenship awareness.

Chichester has joined with several other SAU #53 districts in exploring the revision of educational goals to reflect more accurately and specifically what students are expected to learn and be able to do. The objective of this collaborative effort is to establish expectations the school community holds for its students as well as the best instructional practices to enable students to achieve these identified standards.

The Chichester School District continues to receive federal Chapter I funds to support its tutorial programs in reading and math. The FY 1993 allocation of $40,719 funds three certified tutors as well as instructional and assessment materials. During the 1992-93 school year 26 students received tutorial services in reading and 14 received services in math. Because of projected decreases in Chapter I funds over the next few years, the SAU #53 Chapter I Long Range Planning Committee has recommended concentrating services on reading for the first to third grade population starting September, 1994.

Success and progress the district has experienced are due in large measure to the professionalism and hard work of the Chichester Central School's faculty, staff and principal. Your school board, a truly dedicated and caring group of citizens, also expends an extraordinary amount of time and energy providing the leadership and direction necessary to the success of the school program. Chichester is indeed fortunate to have these dedicated individuals.

Paul DeMinico, Ed.D.

PRINCIPAL'S REPORT

Chichester Central School opened on September 1, 1993 with an enrollment of 237. This was down from 244 last September, had increased to 250 by the close of school in June, and had moved to 243 by November 1, 1993.

This year we welcomed the following new staff members:

Katherine Reinheimer, Grade 5 (one-year position)
Kristin Dougherty, Physical Education
Lori Crantz, Chapter I - Mathematics
Leon Kosko, Part-time Custodian

Three Special Education Aides also joined our staff - Diane Perry-Mann, Candida Bellair, and Carol Raymond. A number of familiar faces appeared in new positions. Ginger Sanborn moved to R/1, Jo Sanborn moved to grade 5, Wendy Kneeland moved to grades 1/2, and Marilyn (Koladish) Piaseczny moved to a straight grade 2. The upper elementary grades began their shift to a Jr. High/Middle School configuration. There are three teachers with a subject area, English class, and a homeroom. Jack Farnum teaches Social Studies, James Fifty teaches science, and Catherine Edmond teaches mathematics. The daily schedule includes time in homerooms for reading, study period, announcement group activities, mentorship, and study skills/organization.

All facets of the school community have again worked together to improve programs, and yet to maintain the tradition of excellence at the school. Extensive planning went into the restructuring of the upper elementary grades. Long hours of work by a dedicated committee produced a new Social Studies curriculum, and new text books are being phased in. Prompted by school board goals, a study of Outcome Based Education began, as well as an in-depth look at the special education program. Staff members worked to develop positive motivational programs for students. The parent-staff Enrichment Committee gathered to plan an outstanding schedule of opportunities for all the students during the winter Enrichment program. Chichester's spirit of volunteerism again enhanced the offerings available to the students - again resulting in a Blue Ribbon Achievement Award for our outstanding volunteer program! Communication among all parts of the school community was improved by the initiation of round table discussions.

The school continues to grow through progress toward school board goals, the school's Plan of Action, and our school improvement projects. Goals for 1993-94 include continued investigation of Outcome Based Education, further study of special education, expanded public relations programming, improved communication, development of positive programs, and a review of our Behavior Code.

I would like to thank all those people who have given their support to the success of the school and its program. There are far too many to mention them all! Again, I look forward to working with everyone in the Chichester School community. It is indeed an honor to be a part of your fine school!

I hereby submit this, my annual principal's report.

Respectfully submitted,
Stewart Armstrong, Jr.
